## Instructions

1. Make the handles and attach them to the outer fabrics.

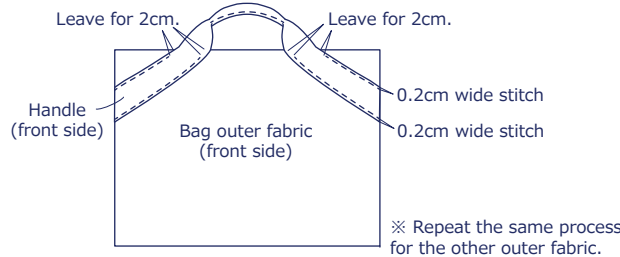

Fold the handle in four and run stitches on the long ends.

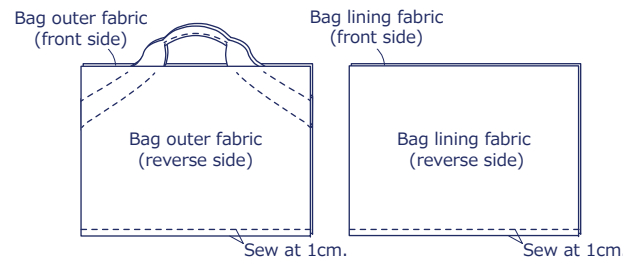

Fold the center of the handle in half and run stitches.

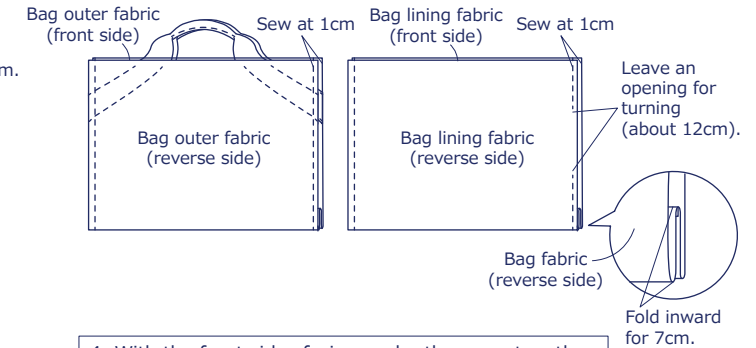

Attach the handle to the specified location.

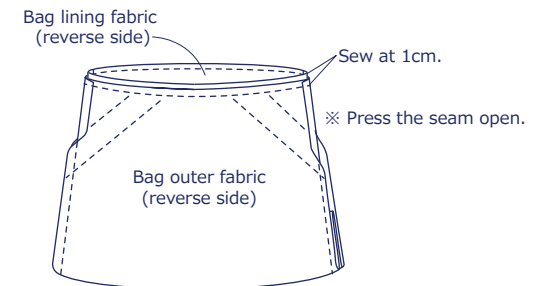

2. With the front sides facing each other, sew together the bag fabrics at the bottom.

3. With the front sides facing each other, fold the gusset and sew together the bag fabrics at both sides.

4. With the front sides facing each other, sew together the outer bag and lining bag at the top opening.

5. Turn the bag inside out and run stitches at the top opening.
