Instructions

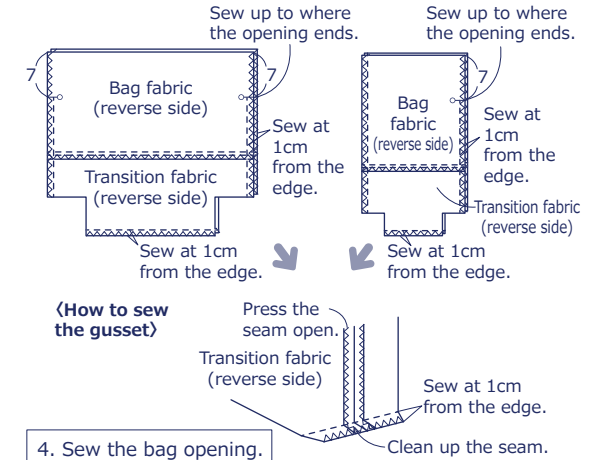

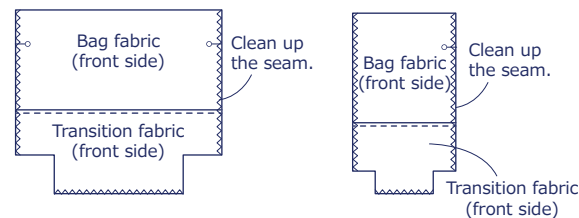

1. With the front sides facing each other, sew together the place mat fabrics. Turn it over and apply stitches all the way around to finish.

2. With the front sides facing each other, sew together the bag fabric and transition fabric. Turn it over and apply stitches.

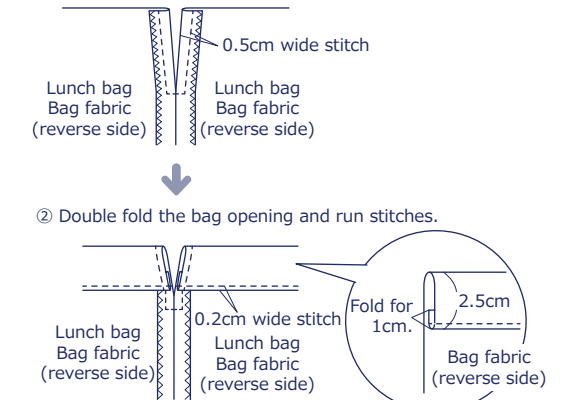

3. Clean up the seam. With the front sides facing each other, sew together the bag fabrics at the sides, bottom and gusset.

4. Sew the bag opening.

① Press the seam open at the top opening and run stitches.

※ Repeat the process for the PET Bottle carrier.

5. Put through the cord to finish.
