## Instructions

### <Blouse >

② Serge or apply zigzag stitches on the seams of the shoulder and sides.

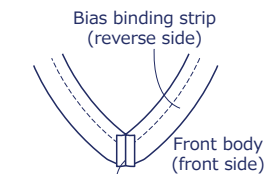

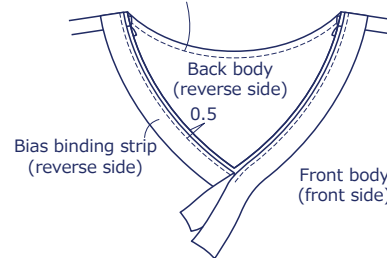

③ With the front sides facing each other, sew together the front and back bodies at the shoulder. Press the seam open.

④ Following the process in Step ③, sew the sides.

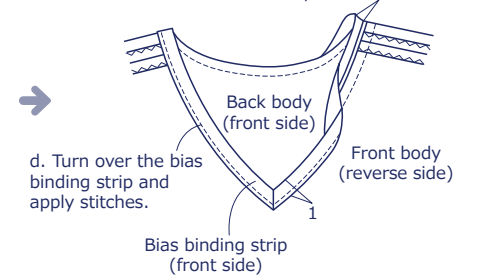

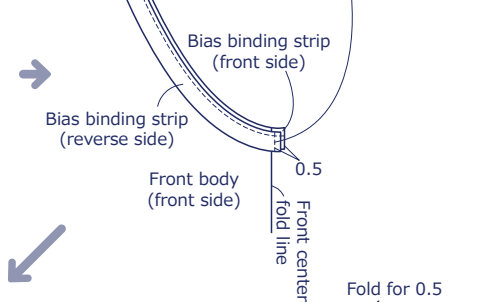

⑤ Double fold the seam of the hem and apply stitches.

a. With the front sides facing each other, sew together the front and back body and bias binding strip.

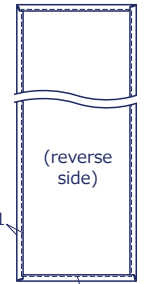

c. Press the seam from b. open.

b. With the front sides facing each other, sew together the front center of the bias binding strips. Cut off the excess strip.

d. Turn over the bias binding strip and apply stitches.

### <Long Scarf >

Double fold the seam and apply stitches.
