2. Make the bag opening

3. Put together both side ends of the body

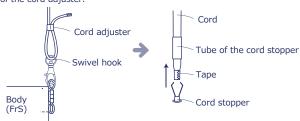

5. Attach the swivel hook and cord stopper

Securely wrap the end of the cord with a tape. Insert the cord first through one hole of the cord adjuster, then swivel hook, followed by another hole of the cord adjuster.

Insert the cord through the tube portion of the cord stopper. Pinch the end with the stopper and push it inside the tube.

<How to make the tassel>

6. Cut a slit, apply adhesive and wrap the piece
