Instructions Front Side - (FrS), Reverse Side (RvS)

1. Make the opening fabric and bottom fabric

<Opening Fabric>

Fold both sides and sew.

• Make two pieces.

<Bottom Fabric>

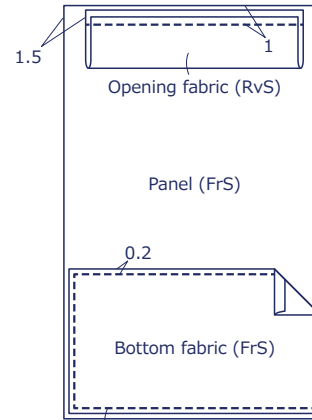

Fold the top edge.

• Make two pieces.

2. Make the panel

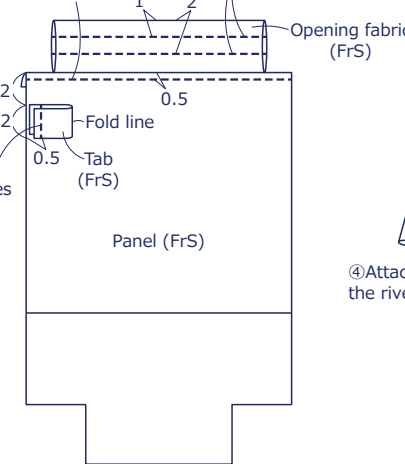

① With the front sides facing outside, fold the opening fabric in half. With the front sides facing each other, put it together with the panel and sew the opening side.

② Attach the bottom fabric to the panel.

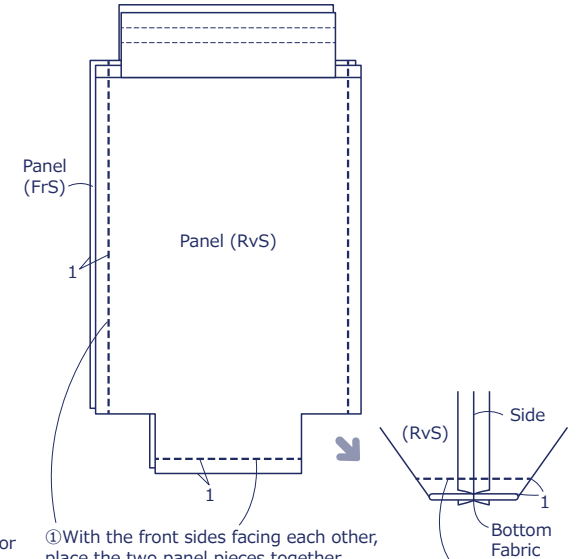

④ Pull up the opening fabric and apply stitches.

⑤ Sew the opening for the elastic tape.

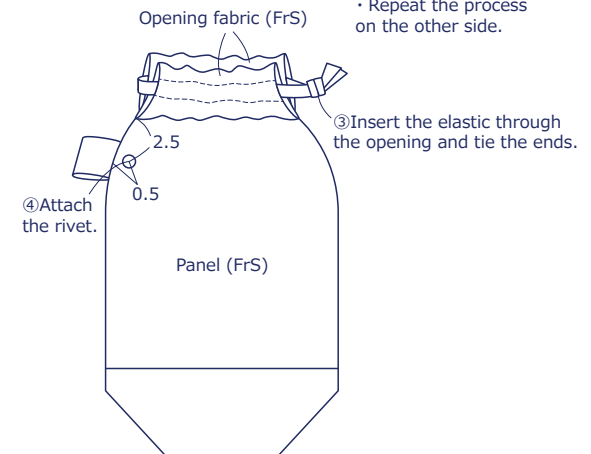

• Make another piece following the same process as in ①~⑤.

3. Finish the holder

① With the front sides facing each other, place the two panel pieces together and sew the sides and bottom.

② Press the seam open. Sew the gusset by folding both sides of the bottom as shown. • Repeat the process on the other side.

④ Attach the rivet.

③ Insert the elastic through the opening and tie the ends.
