Bottom lining fabric) Pink G50171-1 (B), Yellow G50171-1 (C)

Pattern and Cutting Layout

The unit is cm. Add 1cm seam allowance.

Check the pattern location and balance when cutting
main panel fabric (top) and bottom lining fabric.

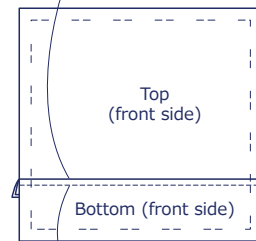

Attach a fusible quilt batting (no seam) on
the back of the B Main panel lining fabric.

Instructions

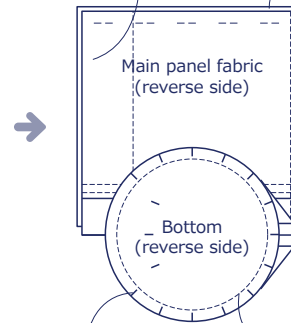

1. Make the outer bag.

① With front sides facing each other, piece together top and bottom of main panel fabrics.

② Press down the seam and run top stitches.
*Make two pieces.

③ With front sides facing each other, sew both side edges of main panel fabrics.

④ Paying attention to the direction of the bottom piece, pin and cut a slit on the main panel and bottom with front sides facing each other.

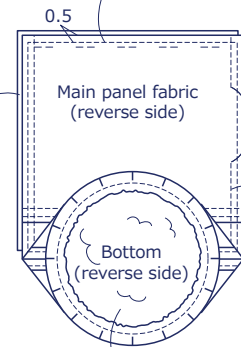

Main panel fabric (front side)

Main panel fabric (front side)

⑤ Sew together the pieces. Stitch it from the top (main panel) side.

2. Make the lining bag.

② Stay stitch on the seam of main panel fabric (A only).
* Make two pieces

① Adhere fusible quilt batting (no seam) to the bottom.

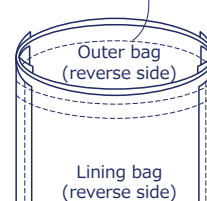

④ As in Step 1-④ and ⑤, sew together the pieces.

Opening for turning 6

③ With front sides facing each other, sew both side edges of main panel fabrics (leaving an opening for turning on one side.)

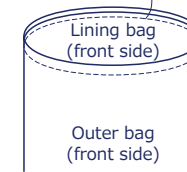

3. Piece together the outer bag and lining bag.

① With front sides facing each other, piece together the outer bag and lining bag, sewing at the top opening.

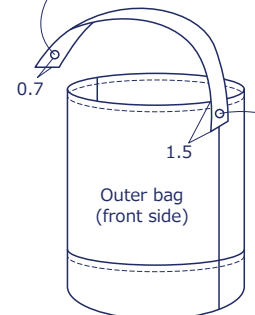

② Turn it inside out and close the opening.

③ Run top stitches at the opening.

4. Attach the handle.

① Using a leather punch, punch a hole on both ends of the leather strap.

② Attach it to the bag using a rivet.
