Instructions

Preparation

Fold and crease one of the long ends of the belt for 1cm using an iron.
Double fold and crease the hem. First fold 1cm and crease with an iron. Then fold another 1cm and crease with an iron.

1. Make the tucks.

Make a notch where indicated with ★ ☆ on the pattern.
Make the tucks.
From the right, make a tuck by layering the ★ to ☆. (Two pieces)

Run basting stitches at 0.5cm from the edge.
Using an iron, Press the tuck up to about 10cm below waist.

2. Sew the sides.

With the front sides facing each other, sew the sides at 1cm from the edge. Finish with zigzag stitches. (both sides)

3. Double fold and sew the hem.

4. Attach the belt and put through the elastic tape.

With the front sides facing each other, sew the end, leaving an opening for turning.
Press the seam open with an iron.

Turn the belt inside out. Fold where it's creased with an iron. Run stitches.
Put the elastic tape through to finish.
