This cutting layout is one example.

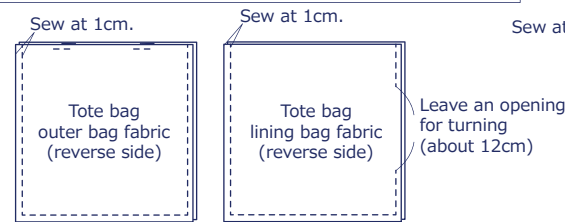

※ Adhere fusible interfacing on the back of the outer fabrics.

Instructions

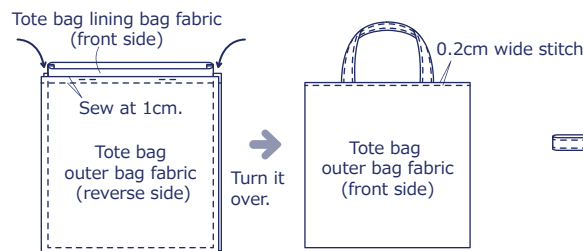

1. Make the handles for tote bag and clutch bag. Baste them to the bag fabrics.

2. With the front sides facing each other, sew together the tote bag outer bag fabrics at the sides and bottom.

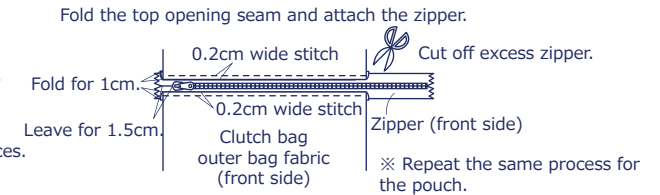

3. With the front sides facing each other, sew together the tote bag outer and lining bags at the top opening. Turn it over and run stitches at the top to finish.

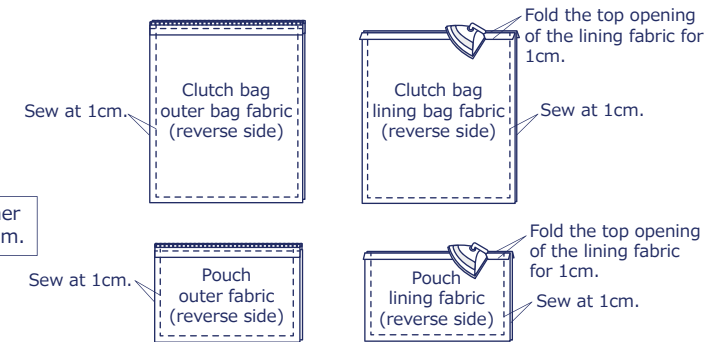

※ Close the opening for turning.

4. Attach the zipper to the clutch bag outer bag fabric and pouch outer fabric.

5. With the front sides facing each other, sew together the clutch bag fabrics and pouch respectively at the sides and bottom.

6. To finish the clutch bag and pouch, sew together the opening of the lining bag fabric and zipper using blind stitching.
