(Body – Side B): PIKKU SAARI EGX-4004-2C

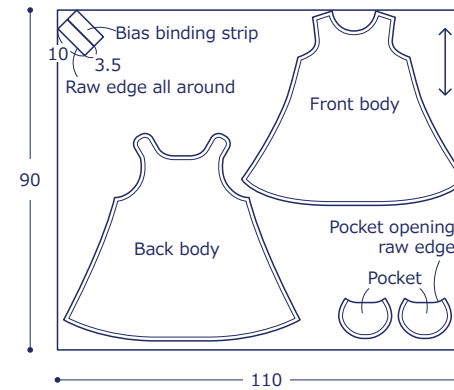

Pattern

Unit: cm

Cutting Layout

Add 1cm seam allowance unless specified otherwise.

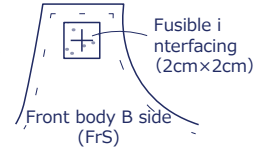

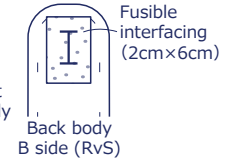

Instructions

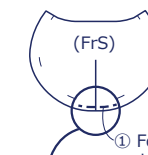

Front Side - (FrS), Reverse Side (RvS)

1. Adhere fusible interfacing

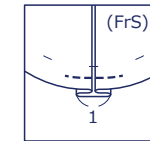

Adhere fusible interfacing on the buttonhole and button attachment position on the front and back body of the B side.

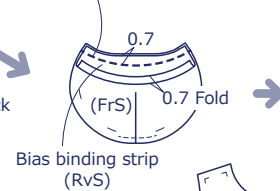

2. Make the pocket

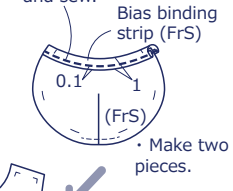

① Fold the tuck and baste it.

② With the front sides facing each other, sew together the pocket and bias binding strip.

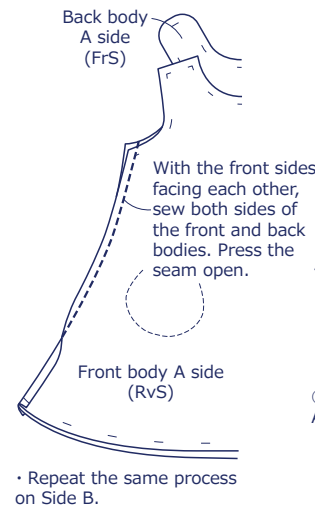

③ Turn over the bias binding strip and wrap the pocket opening and sew.

• Make two pieces.

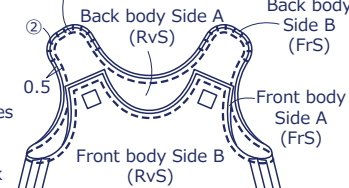

3. Sew the sides

• Repeat the same process on Side B.

4. Sew the neckline

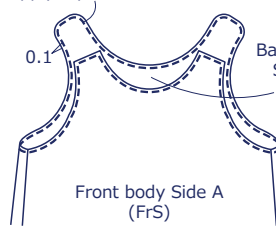

① With the front sides facing each other, put together side A and side B and sew the neckline.

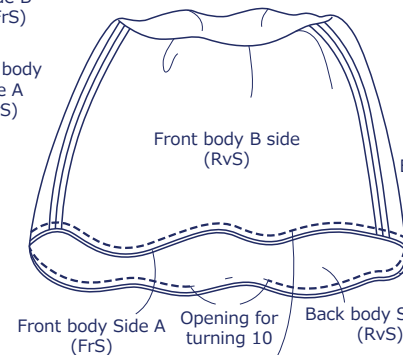

② Cut off the seam and make a notch where the curve is tight.

③ Turn it over and align the shape. Apply top stitches.

5. Sew the hem and finish

① With the front sides facing each other, put together side A and side B and sew the hem, leaving an opening for turning.

② Turn it inside out using the opening. Fold the seam of the opening inward and apply top stitches.
