Design & work: Kokka Fabric

Size: Length about 110cm

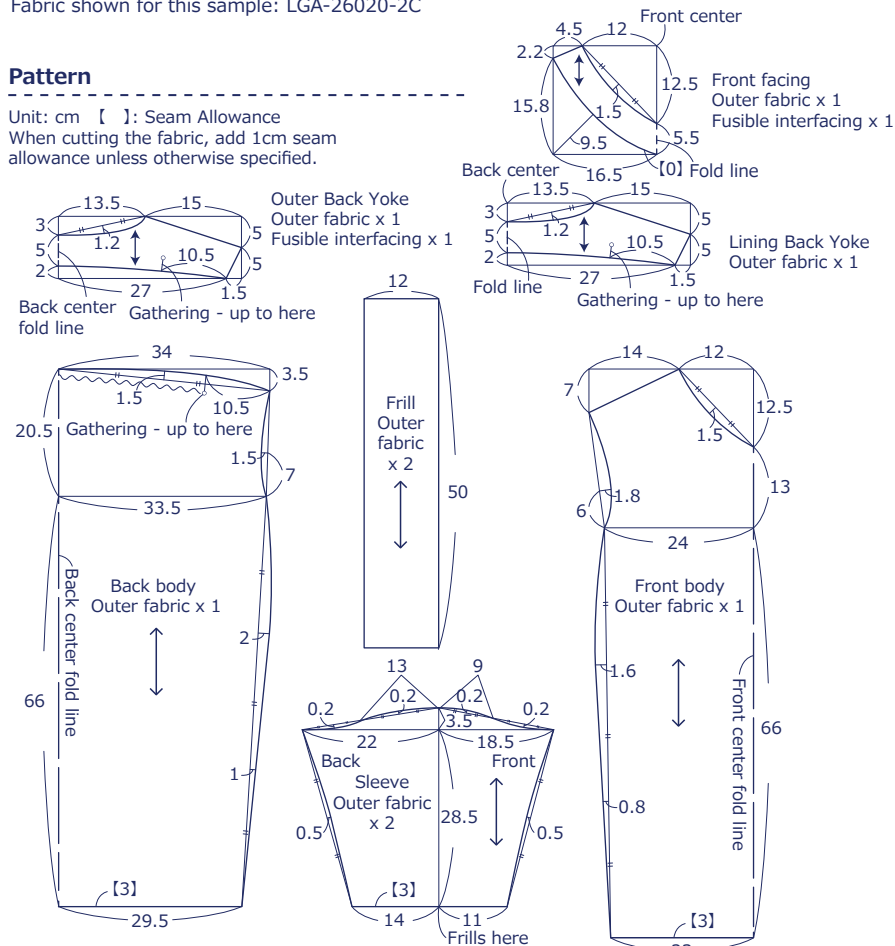

Materials

- Outer fabric about 110cm wide x 220cm
- Fusible interfacing (light weight) about 110cm wide x 30cm

Fabric shown for this sample: LGA-26020-2C

Pattern

Unit: cm []: Seam Allowance
When cutting the fabric, add 1cm seam allowance unless otherwise specified.

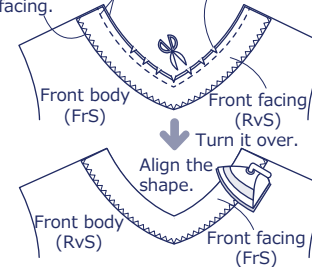

※ Adhere fusible interfacing on the back of the front facing and outer back yoke.

Instructions

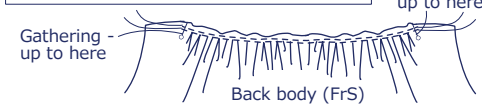

Front Side - (FrS), Reverse Side (RvS)

1. With the front sides facing each other, put together the front body and front facing and sew around the neckline

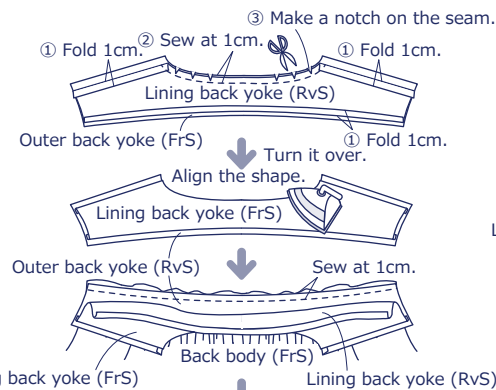

- ① Finish the seam
- ② 1cmで縫う
- ③ Make a notch on the seam.

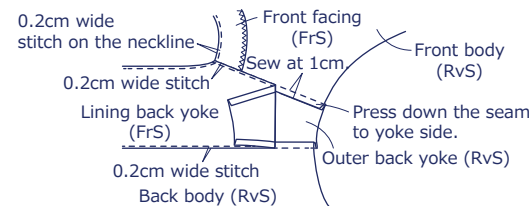

2. Gather the fabric on the back body

3. With the front sides facing each other, put together the back yoke and sew the neckline. Sew the piece together with the back body.

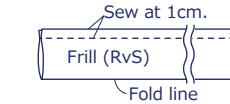

With the front sides facing each other, sew together the front body and outer back yoke. Layer the lining back yoke and apply stitches.

4. Make the frills

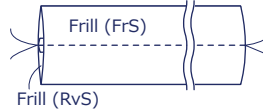

With the front sides facing each other, fold the frill piece and sew.

Bring the seam to the center and fold both long ends. Sew one short end.

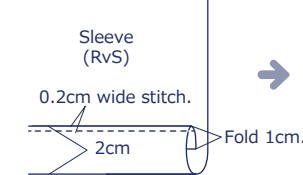

Turn it over and gather the piece to the center.

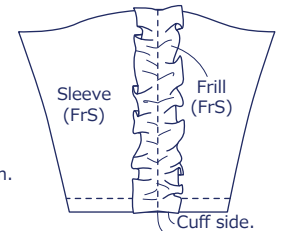

5. Make the sleeve and attach the frill

Fold the cuff in three and apply stitches.

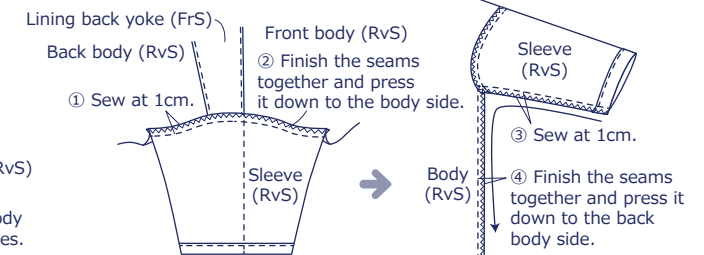

Attach the frill to the sleeve.

6. Attach the sleeve and sew along the bottom of the sleeve and sides

Align the fill position and center of the frills and sew together. ※ Remove the rough stitch thread.

7. Fold the hem in three and apply stitches to finish
