Instructions Front Side - (FrS), Reverse Side (RvS)

1. Make the pocket and attach it to the outer main panel

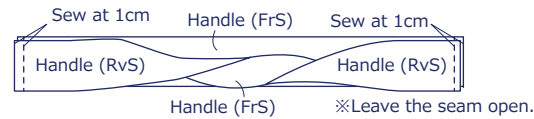

2. With the front sides facing each other, sew together the main panel and side panel

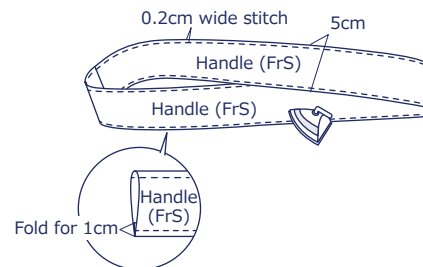

3. Make the handles

With the front sides facing each other, sew together the handle at one end. Twist around one of the strips. With the front sides facing each other, sew together the unsewn end to make a loop.

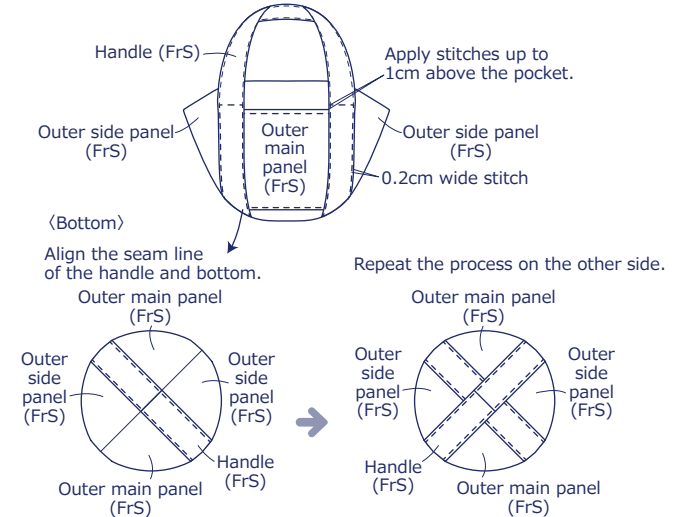

Apply stitches on the edge at the end of the process.

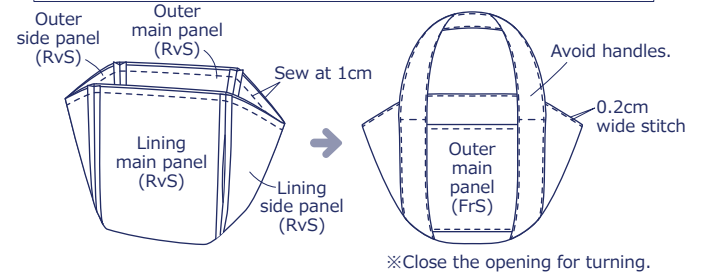

4. Attach the handles to the outer main panel

Align the seam line of the pieced outer main panel and outer side panel with the centerline of the handle. Sew together.

5. With the front sides facing each other, sew together the outer main bag panel and lining main bag panel at the bag opening. Turn it inside out and apply stitches around the top opening

6. Fold the handle in half. Apply stitches to finish
