## Instructions Front Side - (FrS), Reverse Side (RvS)

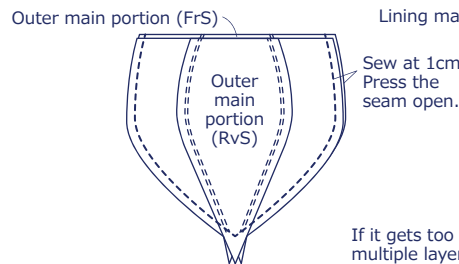

### 1. Make the main portion

With the front sides facing each other, sew together three pieces of outer fabrics for the main portion.

※Repeat the same process on the other piece.

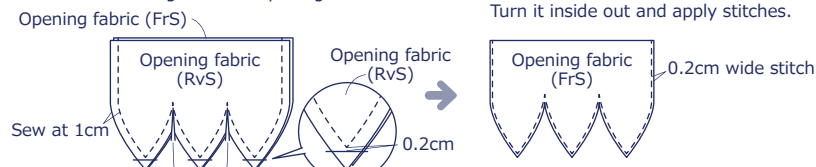

With the front sides facing each other, sew together the sides.

If it gets too thick with multiple layers of the seam, cut off the excess.

### 2. Make the opening fabric

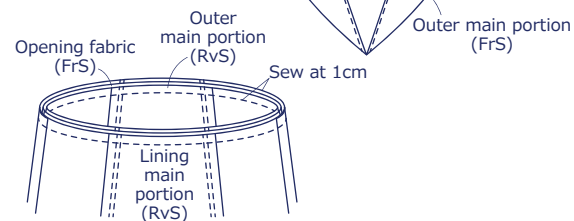

With the front sides facing each other, sew together the opening fabric.

Make a notch in the valley of the seam.

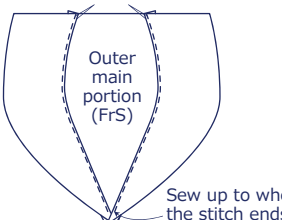

Cut off the corner of the seam

### 3. With the front sides facing each other, sew together the outer and lining main portions at the top opening with the opening fabric placed in between.

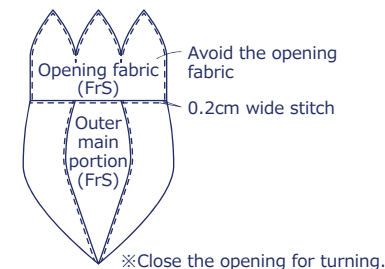

Press down the seam to the exterior side and apply stitches.

0.2cm wide stitch

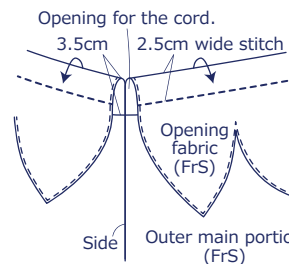

※Make two pairs. Repeat the same for lining main portion.

### 4. Turn it inside out and apply stitches around the bag opening

※Close the opening for turning.

### 5. Fold the opening fabric and apply stitches

### 6. Insert the cord through the opening to finish

Insert two cords (cut to 60cm each).
