Pattern and Cutting Layout

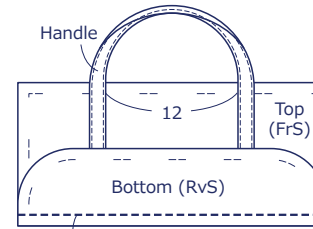

Unit: cm. 1cm seam allowance unless otherwise specified.

1. Make the handles

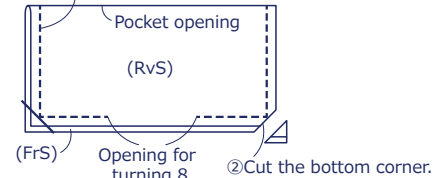

2. Make the panel outer fabric

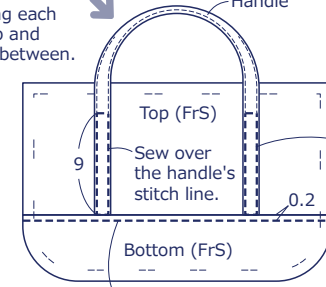

① With the front sides facing each other, sew together the top and bottom with the handle in-between.

3. Make the panel lining fabric

① With the front sides facing each other, fold the pocket in half and sew around, leaving an opening for turning.

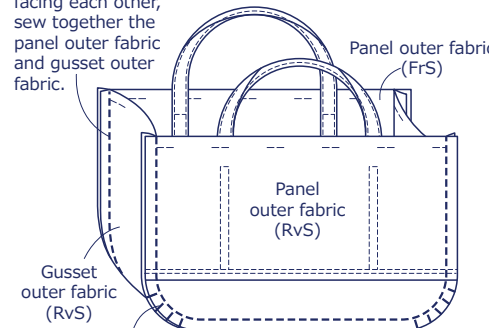

③ Turn ② inside out. Apply stitches at the pocket opening.

② Press down the seam from ① to the bottom side and apply stitches.

4. Make the outer bag

② With the front sides facing each other, sew together the panel outer fabric and gusset outer fabric.

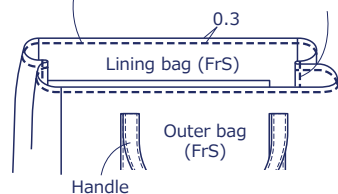

5. Make the lining bag

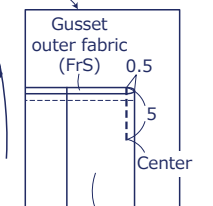

As in step ④, repeat the process with panel lining fabric and gusset lining fabric.

6. Finish the bag

① With the front sides facing outside, fold the seam of the outer and lining bags at the opening respectively. Sew around the opening, avoiding the handle.

② Turn the lining bag inside out. Pinch the center of the gusset and apply stitches. Turn the outer bag inside out again.
