Fabric shown for this sample: EGX-7702-5B

## Pattern and Cutting Layout

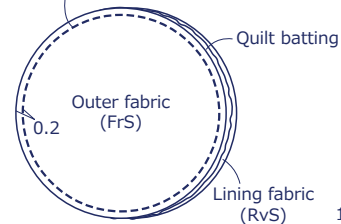

Unit: cm All raw edge  
Adhere fusible interfacing on the back of the lining fabrics.

## Instructions Front Side - (FrS), Reverse Side (RvS)

### 1. Make the side pane

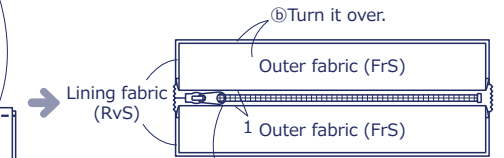

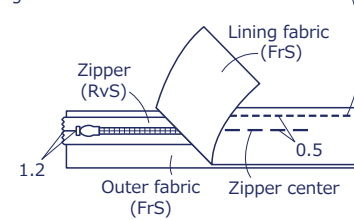

With the front sides facing outside, put together and baste the outer and lining fabrics with the quilt batting in-between.

• Make two pieces.

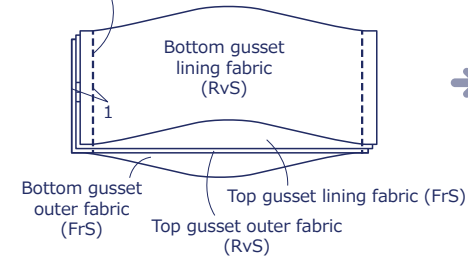

### 2. Make the gusset

- ① Make the top gusset.
- ② With the front sides facing each other, sew together the top gusset outer and lining fabrics with a zipper placed in-between.

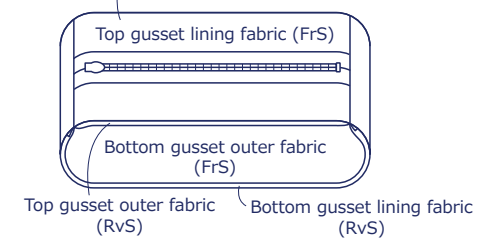

③ Repeat the process on the other side by repeating steps ② and ③.

- ② With the front sides facing each other, sew together the bottom gusset outer and lining fabrics with a piece from ① placed in-between.

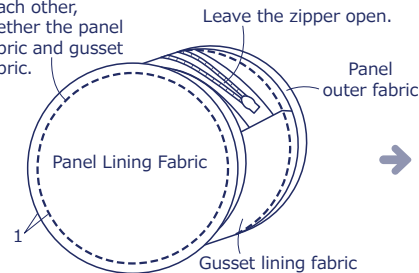

- ③ Turn over the piece from ② and align the shape.

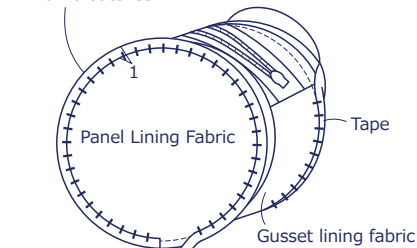

### 3. Finish the bag

- ① With the front sides facing each other, sew together the panel outer fabric and gusset outer fabric.

- ② Fold the tape in half. Wrap the seam from ① with the tape and attach using blind stitches.

Fold for 1cm and overlap

- ③ Turn it inside out. Attach the handle using rivets.
