Fabric shown for this sample: EGXA-8500-1D

Pattern and Cutting Layout

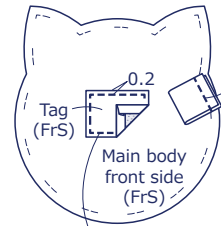

Unit: cm Numbers in () denote seam allowance.
All raw edge unless specified otherwise.

Instructions Front Side - (FrS), Reverse Side - (RvS)

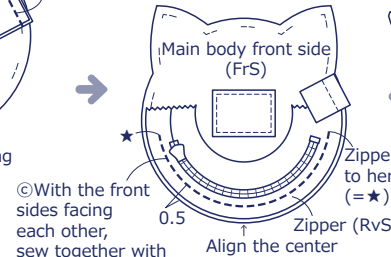

⟨Pouch⟩

① Make the front main body.

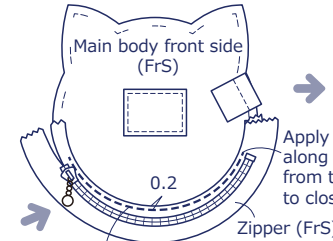

② Fold the artificial leather tape in half and baste.

③ Adhere fusible interfacing on the back of the tag. Fold the seam and attach it to the body.

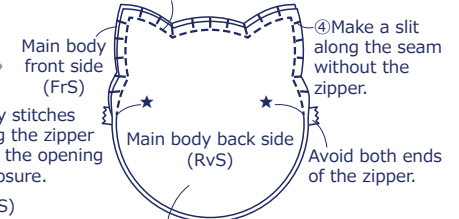

④ With the front sides facing each other, sew together with the zipper. Align the center.

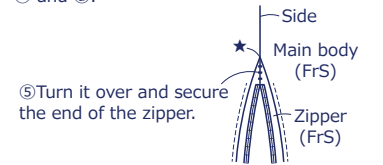

④ Turn the zipper over to the front side and apply stitches.

③ With the front sides facing each other, layer ① and ② and open the zipper. Sew along the portion without the zipper.

② Repeat the same process for main body back side as ① - ④.

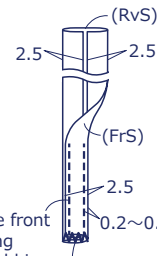

⑤ Turn it over and secure the end of the zipper.

⑥ Insert the ribbon through the artificial leather and tie it to the bag's handle.

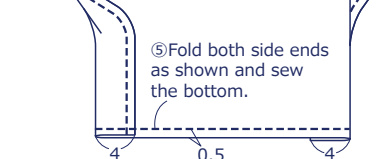

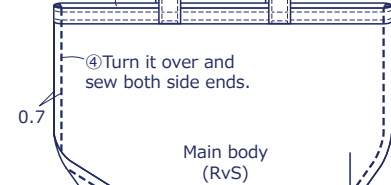

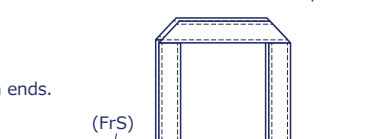

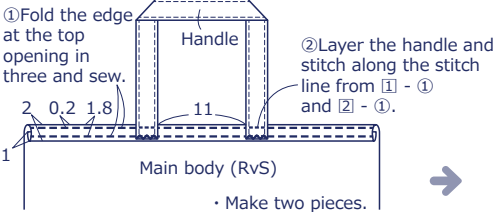

⟨Bag⟩

1. Make the handle

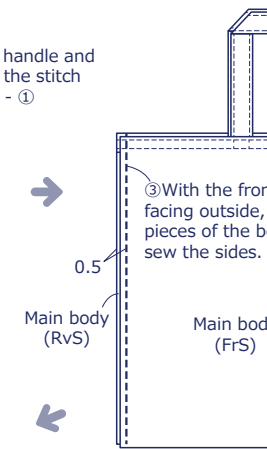

① With the front sides facing outside, fold in four and sew. ② Apply zigzag stitches on both ends.

2. Make the main body

⑤ Fold both side ends as shown and sew the bottom.

③ With the front sides facing outside, layer two pieces of the body and sew the sides.

⑥ Turn it over and sew the bottom.
