Instructions Front Side - (FrS), Reverse Side (RvS)

1. Make the shoulder strap and baste it to the Main part B outer fabric

Put through the flat tape in the middle of the slide adjuster. Fold in three and sew to secure.

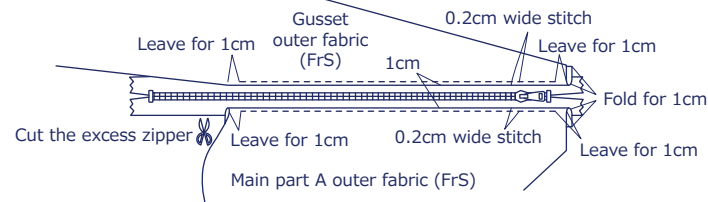

Put through the unsewn end of the flat tape to the rectangle buckle first, then put it through the slide adjuster.

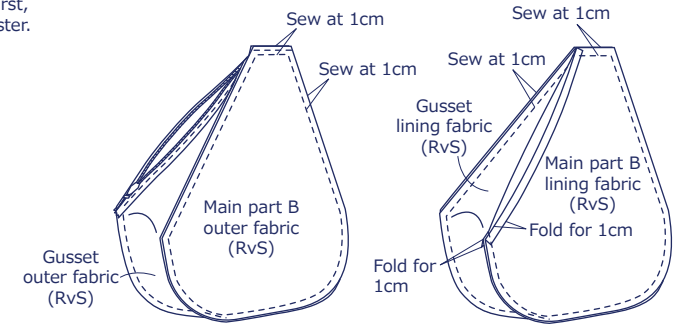

2. Attach the zipper to the Main part A outer fabric and gusset

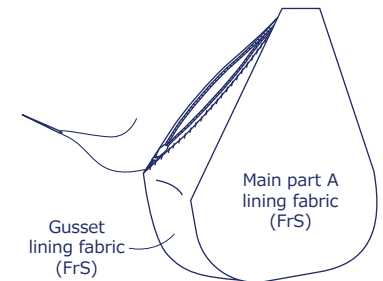

Fold the seam of the zipper attachment side. Layer it over the zipper and sew.

3. With the front sides facing each other, sew together the main part and gusset

4. With the front sides facing outside, put together the outer fabric and lining fabric at the top opening using blind stitches

5. Turn it inside out using the zipper opening. Align the shape to finish
