Pattern and Cutting Layout

Unit: cm All raw edge Adhere fusible interfacing on the back of the body outer fabric and flap lining fabric at 1cm inward around the perimeter.

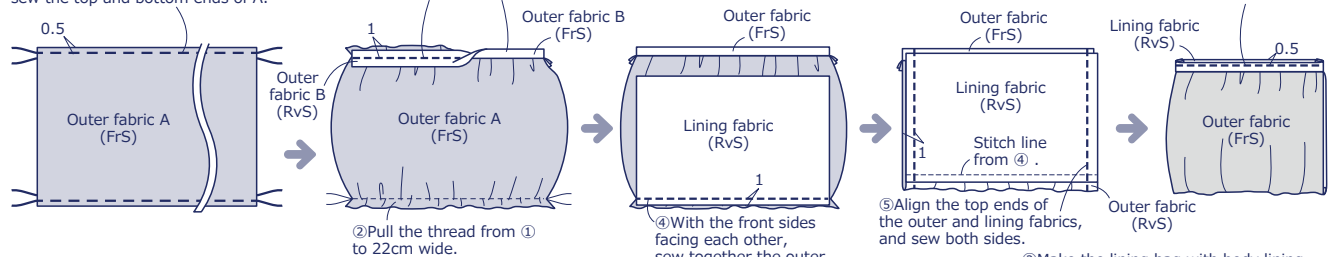

Instructions Front Side - (FrS), Reverse Side (RvS)

1. Make the flap

① Using rough stitches, sew the top and bottom ends of A.

③ With the front sides facing each other, sew together A & B, and turn it over.

⑥ Turn it inside out, and baste the attachment side.

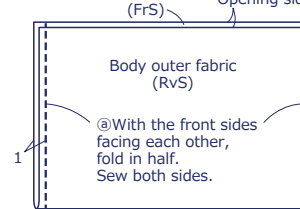

2. Make the tab

① With the front sides facing outside, fold in four and sew.

② Insert through D ring and fold in half to baste. Make two pieces.

4. Make the body

① Make the outer bag.

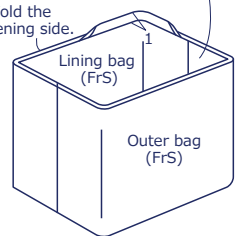

⑥ Fold the bottom corner into a triangle, and sew the gusset.

⑦ Cut off the seam.

⑧ Apply zigzag stitches on the seam. Repeat the same process on the other side.

② Make the lining bag with body lining fabric following the process described in ①. With the front sides facing outside, put together the outer and lining bags.

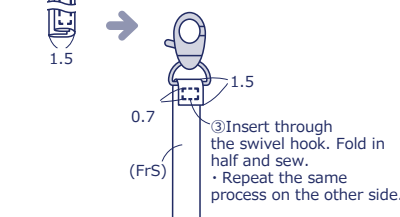

⑨ Fold the opening side.

3. Make the shoulder strap

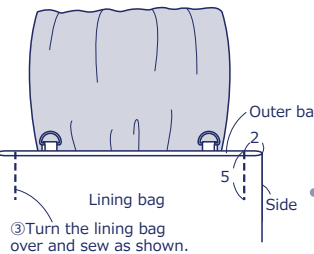

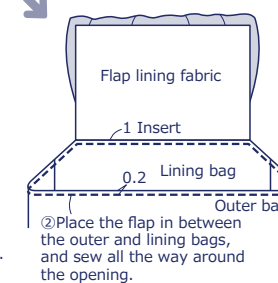

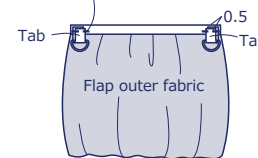

① Fold both ends.

② With the front sides facing outside, fold in four and sew.

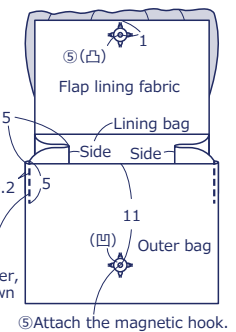

5. Finish the bag

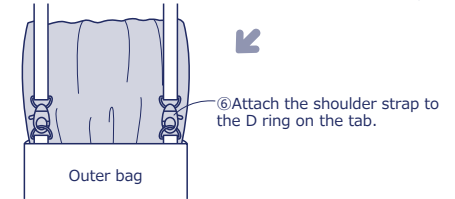

① Baste the tab to the flap.

④ Turn the outer bag over, pinch the fabric as shown and sew.

⑤ Attach the magnetic hook.

⑥ Attach the shoulder strap to the D ring on the tab.
