Instructions

Front Side - (FrS), Reverse Side (RvS)

1. Make the outer pocket

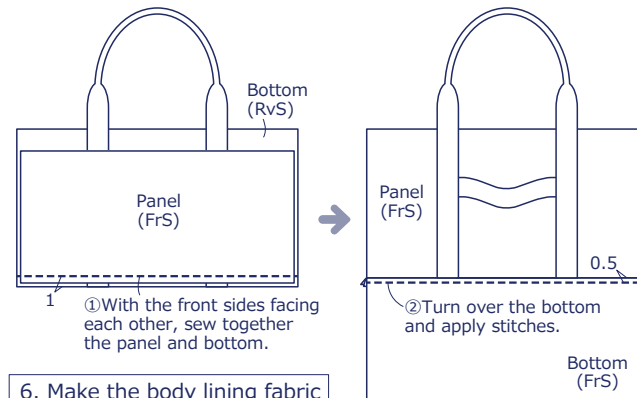

① With the front sides facing out, fold in half, layer the tape (18cm) and sew together.

② Fold the tuck and baste.

③ Place it in the center of the panel and baste.

3. Make the body outer fabric

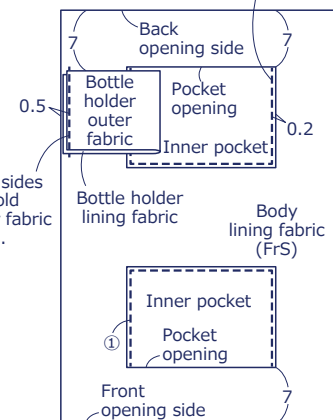

① With the front sides facing each other, sew together the panel and bottom.

② Turn over the bottom and apply stitches.

• Repeat the same process on the other side.

6. Make the body lining fabric

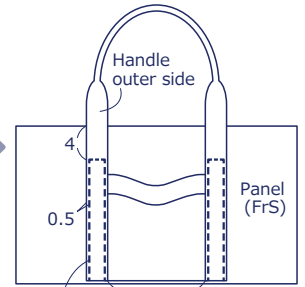

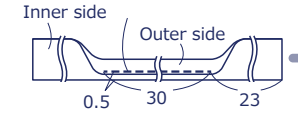

① Layer the inner pocket and sew three sides except for the pocket opening.

② With the front sides facing outside, fold the bottle holder fabric in half and baste.

2. Make the handle

① Fold the tape (76cm) in half and sew the center.

② Layer it over the panel and sew together.
• Make two pieces.
(No pocket on the other piece)

4. Make the bottle holder

① With the front sides facing each other, sew together the long end of the outer and lining fabrics.

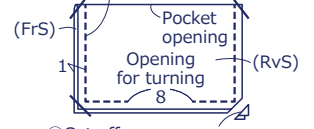

② Turn it inside out and apply stitches from the front side.

5. Make the inner pocket

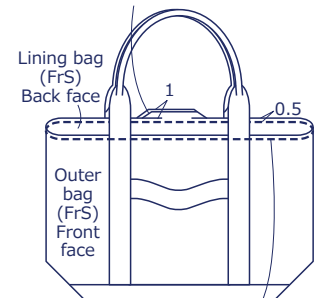

① With the front sides facing each other, fold in half and sew, leaving an opening for turning.

② Cut off corner seam.
③ Turn it inside out.
• Make two pieces.

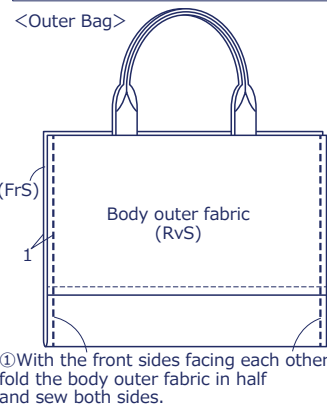

8. Finish the bag

① Fold the top opening of the outer bag and lining bag respectively.

② With the front sides facing outside, align the outer bag and lining bag at the top opening and sew all the way around.

7. Make the outer bag and lining bag

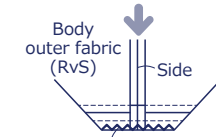

① With the front sides facing each other, fold the body outer fabric in half and sew both sides.

② Sew the gusset.

③ Fold the bottom corner into a triangle and sew. Cut off excess seam.

④ Apply zigzag stitches on the seam.
• Repeat the same process on the other side.
• Repeat the same process for the lining bag using body lining fabric.
